## What is FINNECT?

**FINNECT** is an independent, trusted platform designed to connect fintechs and service providers with credit unions. Started as a Filene i3 innovation concept, **FINNECT** now helps fintechs showcase their solutions to the right credit unions--faster and more effectively.

Whether you're a startup or an established provider, **FINNECT** helps you:

- Increase visibility among actively searching credit unions.
- Gain trust through unbiased reviews and transparent engagement.
- Make smarter, data-driven connections in the credit union ecosystem.

### Get Matched with Credit Unions

No more cold outreach. Connect with credit unions actively searching for fintech and service provider solutions like yours.

### Boost Credibility & Improve Your Offering

Gain trust with unbiased peer reviews from credit union users and receive valuable feedback to enhance your solutions.

### Showcase Your Solution to Decision-Makers

Get your organization in front of the right credit unions, increasing visibility and engagement.

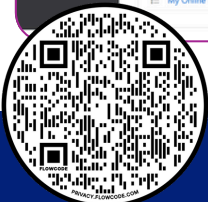

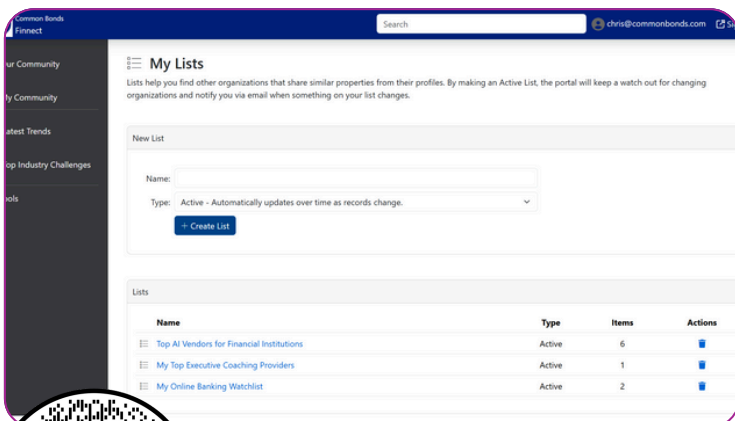

### Exclusive Private User Groups

Engage your credit union clients, foster loyalty, and gather direct feedback in a dedicated space.

### Shorten Your Sales Cycle

**FINNECT** connects you with decision-makers faster, ensuring you spend time with the right prospects.
