The Smarter Way to Find the Right Solutions for Your Credit Union

What is FINNECT?

FINNECT is an independent, trusted platform designed by credit unions, for credit unions. Started as a Filene i3 innovation concept, **FINNECT** simplifies fintech selection—helping you confidently find the right solutions.

- Reduce risk with trusted insights from industry peers.
- Find fintechs and service providers that align with your strategy and member needs.
- Collaborate with credit union leaders to share expertise and drive innovation.

As a credit union-led, vendor-neutral platform, **FINNECT** provides unbiased, transparent information—so you can make confident, informed decisions.

Solve Industry Challenges

FINNECT helps credit unions address industry pain points with unbiased insights and a problem-solving approach to credit union-fintech partnerships.

Trusted Peer Reviews

Get the real story from your peers through their perspective. The platform uses a 1-5 star rating system enabling you to find the best rated products for your needs.

Smart Search Filters

Quickly find fintech solutions tailored to your tech stack, compliance needs, and member priorities—saving time and resources.

Dynamic Peer Community

Collaborate with credit union professionals and fintech innovators in **FINNECT's** dynamic space to co-create solutions!

Inclusive Access

Empower your entire team with unlimited access to **FINNECT's** platform through a simple annual membership.

Join the platform that credit unions trust to save time, foster collaboration and power smarter fintech decisions.
